FROM PRESIDENT DESK

In today's world of globalization and competition, it has become necessary to bring reformation in the current education system that would empower the youth to be innovators and entrepreneurs. It is the need of the hour to bring the pool of knowledge to the rural areas. With the aim to provide world class innovative education to the rural pupils, Mula Education Society was established in 1979 by our Hon'ble Yashwantrao Gadakh Patil. We at MES always believe in strengthening academics along with the inculcation of cultural values in the students.

Hon. Prashant Gadakh Patil

President,
Mula Education Society, Sonai.

FROM PRINCIPAL DESK

I am honored to welcome you to Mula Education Society's college of Pharmacy, Sonai a venture of Mula Education Society, Sonai established in 2004 with a futuristic vision to provide qualitative education by applying innovation and dynamic pedagogical techniques. Since inception, the institute has focused on providing health care services with dedication and commitment. The institutes vision and mission are reflected in its faculty, staff, student and alumni.

VISION

“Serving society through Excellence in Pharmacy Education, Research and Training”

MISSION

- M1: To become centre of excellence in Pharmacy Education
- M2: To promote innovative teaching-learning process with the state-of-art Infrastructure.
- M3: To serve the community by creating awareness about healthcare issues.
- M4: To empower young minds with value based education, leadership, communication and Entrepreneurial skills.
- M5: To be the interface between industry, academics and healthcare system.

PROGRAMME EDUCATIONAL OBJECTIVES (PEO's)

PEO 1: Graduates of the program will be having strong knowledge and skills in pharmaceutical sciences and able to use these tools in Pharmaceutical industry, Community, Hospital Pharmacy and/or institutes where ever necessary for success.

PEO 2: Technically sound, competent and mentally robust along with critical thinking, planning and analyzing abilities to excel in career.

PEO 3: To nurture striving desire in students for higher education and career growth

PEO 4: To promote professionalism, teamwork spirit, effective communication, social and ethical commitment to boost leadership role assisting improvement in healthcare issues of society

PROGRAM OUTCOMES (PO's)

1. Pharmacy Knowledge: Possess knowledge and comprehension of the core and basic knowledge associated with the profession of pharmacy, including biomedical sciences; pharmaceutical sciences; behavioral, social, and administrative pharmacy sciences; and manufacturing practices.
2. Planning Abilities: Demonstrate effective planning abilities including time management, resource management, delegation skills and organizational skills. Develop and implement plans and organize work to meet deadlines.
3. Problem analysis: Utilize the principles of scientific enquiry, thinking analytically, clearly and critically, while solving problems and making decisions during daily practice. Find, analyze, evaluate and apply information systematically and shall make defensible decisions.
4. Modern tool usage: Learn, select, and apply appropriate methods and procedures, resources, and modern pharmacy-related computing tools with an understanding of the limitations.
5. Leadership skills: Understand and consider the human reaction to change, motivation issues, leadership and team-building when planning changes required for fulfillment of practice, professional and societal responsibilities. Assume participatory roles as responsible citizens or leadership roles when appropriate to facilitate improvement in health and well- being.
6. Professional Identity: Understand, analyze and communicate the value of their professional roles in society (e.g. health care professionals, promoters of health, educators, managers, employers, employees).
7. Pharmaceutical Ethics: Honor personal values and apply ethical principles in professional and social contexts. Demonstrate behavior that recognizes cultural and personal variability in values, communication and lifestyles. Use ethical frameworks; apply ethical principles while making decisions and take responsibility for the outcomes associated with the decisions.
8. Communication: Communicate effectively with the pharmacy community and with society at large, such as, being able to comprehend and write effective reports, make effective presentations and documentation, and give and receive clear instructions.
9. The Pharmacist and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety and legal issues and the consequent responsibilities relevant to the professional pharmacy practice.
10. Environment and sustainability: Understand the impact of the professional pharmacy solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
11. Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change. Self- access and use feedback effectively from others to identify learning needs and to satisfy these needs on an ongoing basis.

“Effective and Safe Medicine for all”

Our college on the occasion of pharmacy day, organized a lecture on the topic entitled “Effective and Safe Medicine for all” and guest speaker was Dr. V.S.More.

Dr. More started his session by wishing pharmacist day to students and faculty members. He discussed all the health benefits of medicine. How pharmacist is the link between the medical profession and society. He mainly focused on safety of medicine as over the counter medicine is not strictly followed by the people and the pharmacist he guided students how to avoid an accidents due to OTC preparation and misuse of medicine. He said “students should learn the ethics of pharmacy”.

At the end Hon. Principal Dr. V.K.Deshmukh thank him for his valuable guidance to our students on behalf of the management and the trust.

“Personality development and stress management.”

A guest lecture on the topic “Personality development and stress management.” on 23/01/2020 in seminar Hall by Mr. Girish P.Kukreja Professor and HOD Dept micro. New arts and commerce college Ahmednagar to our students. Hon. Dr. Ghawate V.B. Felicitated Mr. Kukreja and thanks him for accepting our request.

Mr. Kukreja started his session with huge energy, students were very glad to have such a wonderful session on personality development. He encouraged students to speak up and discussed about rural background and lack of confidence during interview. We thank Mr. Kukreja for his valuable guidance

Entrepreneurship Development

The two days workshop on “Entrepreneurship Development ” by Mr. Sandip Jadhav Amrut Pharmaceuticals, Solapur was organized in seminar hall on 19/8/2019 to Third and Final Year B. Pharmacy students.

Mr. Jadhav started his session by sharing his journey and how MESOP helped and guide him to be an entrepreneur. His session was so logical and relevant that our students were overwhelmed of it. He also asked students to share their ideas on business and how to make it better and importance of decision making overall his session was very interesting and helpful for students

“GPAT Preparation 2020”

The speaker was Mr. Rajendra Patil who has been delivering a GPAT guidance from 9-10 years. The Importance of GPAT examination and how to face an exam was discussed by the Patil sir. He also shared his experience about time management and the topics which are very much of importance as per the point of the examination. Overall his session was very beneficial for our students and we hope he will continue his guidance.

“Stability Studies”

Our college had organized a guest lecture on the topic entitled “Stability Studies”. The guest speaker was Mr. Anil Funde. The ICH guidelines for stability studies were the focus point of discussion during the session. He described the detailed process for the stability studies of new drug, new drug formulation and new dosage form including packaging material.

Mr. Anil Funde discussing stability studies.

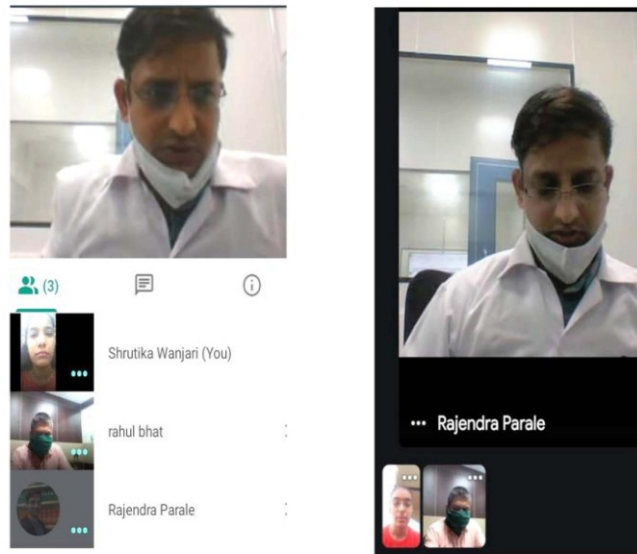

Industrial visit to Adora products Pvt. Ltd, Aurangabad.

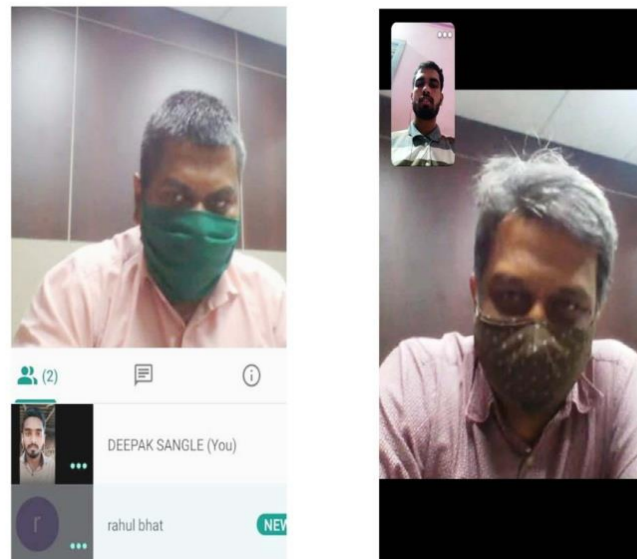

As a part of relevant to syllabus of final year B.Pharmacy students, and by telephonic and email conversation with Mr.Rajendra Pawar, Senior Executive, Human resources Adora products Pvt. Ltd, Aurangabad, we have arranged industrial visit on date 07/03/2020 of Final Year B.Pharmacy students. As per the portfolio of the company all the students are requested to seat in the training hall and gives a power point presentation on Good manufacturing practices (GMP) and CGMP to the students which will help them in the future when they work in any other company and get the idea about the actual guidelines related with GMP and its importance in the company.
